

Waggin' Tails Memorial Trail

BUY A BRICK ORDER FORM

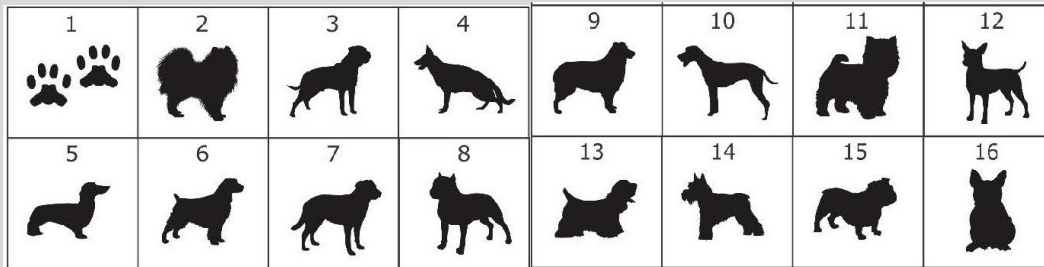

The new Waggin' Tails Dog Park will include a memorial pathway made of engraved bricks to create a permanent legacy that honors the special relationship people share with their animals. Memorial bricks will be placed along the Waggin' Tails Dog Park Memorial Trail. Legacy, memorial, or in-honor-of messages will be engraved into bricks to create a lasting memory of an animal companion. Each brick costs \$100, and one hundred percent of the proceeds will benefit local nonprofits whose mission is to support animals in need and City of Star park enrichment projects. Once the brick has been placed, the donor will receive a certificate.
