**Subject:** Willowbrook workshop

Mayor and Council,

I attended the last workshop via zoom as suggested and appreciated the opportunity to do so. Though I was able to hear the presentation and all of the comments, I was unable to tell who was speaking. This is important in any public hearing, in fact in many cases it is as important to know who is saying something as it is to hear what is being said.

Is there a transcript of the workshop available? In the next workshop would you please have people identify themselves as they speak?

Regards,

Richard Moore, Desert Springs circle, Star
