Subject: Willowbrook Development

To whom it may concern:

As an avid golfer when I first heard about this development it got me very excited. Tom Weiskopfs is not only known as a great player but a world renown golf course architect. Having this development in Star can only add to the community. it will increase property values and offer a golfing experience not easily found in the northwest. I urge you to move forward with this great opportunity for the city of Star.

Thank you,

Rob Harbottle
